Notes on Color:

We highly recommend using standard PMS colors for the most accurate color reproduction possible.

PMS colors are printed as close as possible, swatch samples are available upon request and are highly recommended for accuracy. All orders are printed in CMYK if PMS colors are not noted. Products printed with CMYK color values are approximated as closely as possible. CMYK value artwork is not guaranteed to match any other printed products.

Color fading can occur on outdoor products in direct sunlight. Color appearance without significant fading is guaranteed for 6 months from receipt of product.
