Shipping Method

You have agreed to use EXPEDITED Shipping Method unless otherwise noted.

24 Proof Turnaround

Orders that are sent in AFTER 2PM Mt will be supplied by the following day.

PMS Colors vs CMYK

PMS colors are printed as close as possible. If you need an exact match, we can create a swatch for a fee. Products printed in CMYK are printed as close as possible but are not guaranteed to match any other printed products.

Color Match Not Guaranteed.

Need a PMS swatch? Provide a PMS color and we will provide a swatch. Four days will be added to production and the cost for the swatch and shipping.
