### 24 Proof Turnaround

Orders that are sent in AFTER 2PM Mt will be supplied by the following day.

### PMS Colors vs CMYK

PMS colors are printed as close as possible. If you need an exact match, we can create a swatch for a fee. Products printed in CMYK are printed as close as possible but are not guaranteed to match any other printed products.

#### Color Match Not Guaranteed.

Need a PMS swatch? Provide a PMS color and we will provide a swatch. Four days will be added to production and the cost for the swatch and shipping.
